WHAT IS A TORERO ?

A Torero is a Mexican Bullfighter. Prior to 1963, the USD nickname was the "Pioneers."

The origin of the university's Torero nickname is unknown, but the founding father of USD, Bishop Buddy, was quite fascinated with Mexican history and it is believed that the unique nickname is a result of his influence.

TOREROS LOOK TO GET BACK TO WINNING WAYS IN 1999

With fifty-four returning players and sixteen starters back from last year's 2-8 club, fourth year coach **Kevin McGarry** is optimistic that the Toreros will get back to their winning ways in 1999. Hit with a rash of season-ending injuries, the '98 Toreros were forced to play a number of freshmen and sophomores throughout the season; game-day playing experience that will only benefit this year's club.

"We think we have a great nucleus of players returning," said coach **Kevin McGarry**. "We have a lot of hard workers who believe in themselves, and our senior leadership is excellent."

Headlining the Torero offense will be the return of two First Team All-Pioneer Football League performers in senior QB **Mike Stadler** (47 TD passes over the past two seasons) and senior WR **Dylan Ching** (135 career receptions for 2,380 yards and 30 TDs). Last season Stadler led the PFL in total offense (212.7 ypg) while finishing with passing numbers of 158-for-311 for 2,031 yards and 17 TDs. His favorite target was Ching who hauled in 63 passes for 915 yards and 12 scores. Ching led the PFL in receptions per game (6.30), receiving yards per game (91.50), scoring (7.40 ptpg) and all-purpose running (132.20 ypg). In addition to Ching,

Stadler will have quality targets in wideouts **Bobby Doherty** (23 for 256 yards, 2 TD) and **Khalid Maxie** (13 for 155 yds), sophomore TE **Matt Guardia**, and a host of outstanding newcomers. The Torero running attack will be spearheaded by the return of junior tailback **Oscar Arzu** (628 yards, 2 TD), along with FB **David Lembo**, who sat out last season with a knee injury. Pass protection and running lanes for the Torero offense will come from its offensive line which returns OG **Aaron Garrison**, a 1997 2nd Team All-PFL selection who sat out last year with a knee injury; senior OG **Kona Nakanelua** (6-1, 300), center **Sean McCarney** (6-1, 265), and junior tackles **Christos Renner** (6-2, 263) and **Chris Lamb** (6-4, 285).

The Torero defense, which returns seven starters, will be paced by its secondary. Leading the way will senior CB **Kaao Gouveia**, a First Team All-PFL performer last year after tallying 42 tackles, 3 fumble recoveries, 4 interceptions and 7 pass break-ups. He enters his senior campaign with 10 career interceptions and needs just 2 this year to set a new USD defensive record. He is joined by junior safety **Kyle Slusser**, the team's top tackler with 85 stops and 6 interceptions; senior safety **Wade Van Dusen** (44 tackles), and sophomore invert **Brian Luman**, who totaled 22 tackles and 4 interceptions in just six starts. The defense will also be bolstered by the return of sophomore LB **Bryan Baxter** (72 tackles, 4 QB sacks), junior DT **Anthony Banovac** (6-1, 260) and junior DT **Vaheh Keshishian** (5-11, 265), who was the recipient of the team's 1998 Strength Coaches Award.

The return portion of special teams should be in good hands with **Dylan Ching**, **Khalid Maxie** and **Oscar Arzu** all returning. Ching averaged 24.6 yards on kickoff returns and 8.0 yds for punts; Maxie 20.3 and 12.8 in the same categories; and Arzu returned 15 kickoffs for a 20.6 average. The kicking game, which was a Torero weakness in '98, should be improved with some quality recruits.

USD's 7-game home schedule should work in the Toreros advantage. Highlighting the home slate is their October 2nd meeting with the Yale Bulldogs of the Ivy League. "USD vs. Yale in football represents a milestone for our program and for the university," said **Tom Iannacone**, USD Director of Athletics.

USD's other home tilts include Whittier (Sept. 11), Cal Lutheran (Sept. 18), PFL opponents Butler (Oct. 16) and Drake (Oct. 30), and finishing up with Stony Brook (Nov. 6) and Wagner (Nov. 13; Homecoming).

"We're happy to be playing in front of our fans and travelling less this year," added head coach **Kevin McGarry**. "We're excited about Yale coming to town. It is definitely the direction we want our program going in."

USD opens the 1999 season on the road at Azusa Pacific, the 1998 NAIA National Champions; with their two other road games set for Dayton (Oct. 9) and Valparaiso (Oct. 23).

KEVIN McGARRY

- ◆ *4th Season as Torero Head Coach*
- ◆ *22nd Season on USD Coaching Staff*

Kevin McGarry enters his fourth year as head coach of the University of San Diego football program. With 54 returners and 16 starters back from last season, McGarry is optimistic the Toreros will get back to their winning ways. In 1997 he directed the Toreros to an 8-3 overall mark and a school best second place finish in the Pioneer Football League with its 4-1 mark. The 1997 campaign was USD's best showing since moving to the NCAA Division I-AA ranks and the PFL conference in 1993. The '97 club became only the fourth USD squad to achieve at least eight victories in 35 years of Torero football, and it was the program's most victories since the 1981 season. The team's 33.6 points per game average ranks second all-time in USD football.

The tenth coach to direct the Torero football program since its start in 1956, Kevin is the first USD graduate to head the position. McGarry enters the 1999 season with a career mark of 14-17.

McGarry is no stranger to USD football. Prior to his stint as head coach in 1996, he was an assistant coach at the University of San Diego for eighteen seasons, including the last fourteen as the defensive coordinator and defensive backs coach.

He became a full-time assistant for football in 1985 -- his first seven years (1978-84) were split between football, women's softball (head coach) and as an elementary school teacher. In addition to his on-the-field duties, Kevin was also responsible for recruiting and as liaison for the USD Football Alumni Club.

"Kevin's years of experience at USD have prepared him well for this position," stated Tom Iannacone, Director of Athletics. "He clearly understands the role of the football program within the mission of the university."

Over the past twenty-one seasons with Kevin on the coaching staff, USD has accumulated an overall record of 115-91-3, including fifteen seasons with records of .500 or better. Of the nine USD football players that have been named GTE/CoSIDA Academic All-Americans since 1981, eight have come from the defensive side of the ball, including seven defensive backs. In 1987 the Torero defense set a school record for shutouts in a season with four, and the team gave up just 100 points in ten contests and finished 6-3-1.

Prior to joining the USD coaching staff in 1978, Kevin was a two-year letterwinner on the USD football squad (1976-77), earning co-Defensive Player of the Year honors in 1977. He played two years (1974-75) at Saddleback College in Mission Viejo, California, earning Most Valuable Player honors in 1975.

He received both his Bachelor of Arts in Education (1979), and his Master's Degree in Education Administration (1985) from the University of San Diego. He is currently on a leave of absence from USD's Doctoral program in Education.

Kevin and his wife, Mary Ann, reside in Scripps Ranch and have four children: twins Pat and Mike (12 year-olds), Timbo (9- years-old), and Matt (3-year-old).

GREG QUICK

Offensive Coordinator & Offensive Line Coach -- 1st Year

Greg brings a wealth of coaching experience to USD where in his first season he will be the Offensive Coordinator and Offensive Line coach. The past five seasons he was head coach at St. Norbert College, an NCAA Division III program in De Pere, Wisconsin. Included in his 21-25 career mark was a 6-3 finish and a tie for the North Division title in 1994; a 5-4 record with a North Division runner-up finish in 1996. Last season the Green Knights finished 5-5 overall.

Prior to St. Norbert, the Painesville, Ohio native was head coach at the University of Chicago, where he rebuilt the program, culminating in a 5-5 record in 1993, the most wins since the Amos Alonzo Stagg team of 1929. His teams led the NCAA Division III in total rushing yards his last two seasons.

Other coaching stops have included Claremont-Mudd Colleges (Def. Coord.; 1988-89), Edinboro University (Def. Coord.; 1986-88), New Mexico State (LB's; 1985-86), Heidelberg College (Off. Coord.; 1984-85), St. Edward HS (Def. Coord.; 1983-84), and Emporia State (Def. Coord.; 1981-83 and Off. Line; 1979-81).

An accomplished motivational speaker, Quick has delivered his "Quick Success" message to numerous businesses and organizations. Greg and his wife Jeannie have been married 20 years and have six children: Phil, Nate, Bonnie, Ben, Brittany and Corey. The Quick Family resides in the Scripps Ranch area of San Diego.

BOB TOMPSON

Defensive Coordinator & Linebackers Coach -- 3rd Year

Bob begins his first year as USD's full-time assistant where he will be defensive coordinator and linebackers coach. In addition to his coaching duties, he will play a major role in USD's recruiting efforts.

Tompson coached USD quarterbacks for two seasons (1996, 1997) before taking a position as quarterbacks/wide receivers coach last season at Marietta College in Marietta, Ohio.

Prior to USD he was defensive coordinator and quarterbacks coach at Montclair Prep HS in Van Nuys, California for two seasons (1994, 1995). The 1994 squad won the CIF Championship.

Prior to Montclair he held coaching positions at Occidental College (1993); head coach at Bishop Montgomery HS (1992); head coach at Pius X (1991); head coach at Danie Murphy HS (1990); quarterback/wide receiver coach at Occidental (1988, 1989) where they were two-time SCAC Champs; and wide receiver coach at Nevada (1983-84), where they won the Big Sky title in 1983.

Bob earned his B.S. degree in Physical Education & Health in 1982 from Western Michigan (he played wingback for four years); and more recently earned his M.Ed. (emphasis in P.E.) from Azusa Pacific. Bob and his wife Jeannette have one son, Jamie (age 7).

MIKE RISH

Wide Receivers Coach -- 16th Year

Mike is beginning his 16th season on the Torero staff. After coaching the running backs last season, Mike returns to coach the receivers, a position he handled his first fourteen years on staff.

Mike played for USD from 1979-83 where he posted career numbers that make him one of the best receivers ever to play at USD -- 101 receptions, 18 touchdowns and 1,722 receiving yards. He held the school marks in all three career receiving departments from 1983 through 1997; this past season current Torero receiver Dylan Ching surpassed him. In 1983 he was selected the team's scholar-athlete by the National Football Foundation and College Hall of Fame. In the Toreros nationally-televised game between Occidental in 1982, Rish was named the CBS Chevrolet Player of the Game.

Mike graduated from USD with an Accounting degree in 1984. He is the Vice President for Secondary Marketing for Guild Mortgage Company in San Diego.

KELLY JEFFREY

Quarterbacks Coach -- 2nd Year

Kelly begins his second season with the Toreros where he will again coach the quarterbacks. Prior to USD he was running backs coach for two seasons at Northern State University in South Dakota. During the 1994 and 1995 seasons he was receivers coach at Dickinson State University.

He earned his Health and Physical Education degree from Dickinson in 1996, and later earned his Master of Science degree in Physical Education from Northern State in 1998.

He played quarterback for Southern Oregon between 1990-93 where his teams won two league titles in the Mt. Hood Columbia Football Association.

TIM ANTONGIOVANNI - Running Backs Coach/1st Year

Tim begins his first season with the Toreros where he will coach the running backs. Tim is no stranger to USD football where he played for four seasons (1992-95) as a wide receiver and running back.

A 1996 USD graduate, Tim earned his degree in Psychology. The past two seasons he taught History at Frazier Mountain High School in Lebec, California; and his coaching duties there included head varsity baseball coach and offensive line/defensive line coach for football. During the 1996-97 season he was freshman running back coach and head junior varsity baseball coach at Garces Memorial High School, his alma mater, in Bakersfield, California.

JASON DesJARLAIS - Defensive Line Coach/1st Year

Jason begins his first season with the Toreros where he will coach the defensive line. Prior to USD he was defensive line coach for three seasons; the last two at Humboldt State, and at Western Montana College in 1996.

A two-time All-America defensive lineman at Western Montana College, Jason helped lead his team to three Frontier Conference Championships. In 1994 and 1995, Western Montana College was the NAIA national runner-up. From Ronan, Montana, Jason prepped at Ronan High School where he was a three-sport letterman.

After graduating from Western Montana in 1997 with a B.A. in Education, Jason went on to earn his Master of Science degree from Humboldt State in 1999.

SHAYNE GANZ - Tight Ends & Special Teams /1st Year

Shayne begins his first season with the Toreros where he will coach the tight ends and special teams, and assist Coach Quick with the offensive line. His broad coaching background includes stints at Orange Coast College ('96-98; Secondary/Special Teams), Pasadena City College (1995; Secondary), and Orange High School (1991-94; Def. Coordinator, Receivers and Running Backs).

A native Californian, Shayne graduated from the University of Phoenix (Business) and went on to earn his Master's in Education/Physical Education from Azusa Pacific University. He played two years of football at Cypress College in 1976-77. From 1979 through 1996 he was a professional baseball umpire, calling games at all collegiate levels, as well as games for the minor leagues between 1988-89.

Shayne currently teaches P.E. at Point Loma Nazarene University. His wife Susan is PLNU's head athletic trainer and a professor in their Sports Medicine/Physical Education Department.

KENNY STILLS - Inverts Coach/1st Year

Kenny begins his first season with the Toreros where he will coach the inverts on defense. He comes to USD from Menlo College where he was secondary coach the past two seasons.

From Oceanside, he prepped at El Camino HS (1977-81); played two years at El Camino College (1981-83); and finished his collegiate career at Wisconsin (1983-85) where he was a All-Big Ten performer. He was an 8th round draft pick by the Green Bay Packers in 1985, and played in their organization until 1990. He played his last two seasons in the NFL with Minnesota (1990-91). After retiring in '91, he spent three years with the Milwaukee Mustangs of the Arena League where he was assistant GM and handled color commentary for the games.

Kenny and Annette reside in Oceanside with their son, Ken Jr. (7).

ROBERT CHATHAM - Secondary Coach/1st Year

Rob begins his first season with the Toreros where he will assist head coach Kevin McGarry with the secondary. From nearby La Mesa, Rob is a 1992 graduate of Helix High School where he played both offensive line and linebacker on the football team.

While attending California Lutheran (1992-96) in Thousand Oaks, Rob played for the Kingsmen football team (offensive line/special teams) between 1992 and 1994. He graduated in 1996 with a double major (Marketing/Political Science), and just recently earned his law degree from Boston University. Outside of football he is a USA Hockey certified ice hockey official.

Seniors Mike Stadler and Dylan Ching enter the 1999 football season as USD's most potent quarterback-receiver tandem in the history of the program. They both begin their fourth and final season as career Torero leaders in their respective areas -- Stadler owns passing records for attempts (577), completions (311), touchdowns (47) and passing yards (4,324); Ching owns the career receiving marks for receptions (135), touchdowns (30) and yards (2,380). Ask each of them what it means to them and they both say they would trade in all the individual records for a Pioneer Football League title, something they will be gunning for in the 1999 campaign.

Both players arrived at USD in 1996; however the routes they took to get here were very different. Stadler prepped at nearby El Cajon Valley HS where he was a three-sport letterman. Drafted by the San Diego Padres in the 34th round of the 1992 June draft, he went on to play four years as a catcher in the Padres and Cleveland organizations. A college degree is what prompted him to go back to school, however his love for competition is what got him back on the gridiron. He was the team's third string quarterback his first season while learning to hit open receivers instead of gunning down potential base-runners.

Dylan Ching grew up in Lahaina on the beautiful island of Maui, Hawaii. He learned how to surf long before he ever got a football in his hands. His mother was a World Champion surfer back in the late 1970's. Once he reached middle school, however, he opted for team sports like baseball and football, and left surfing behind for his recreation time.

People started to take notice of Ching the second half of his freshman season when he turned in some big games, including a 3-TD contest versus Dayton. Stadler's turn didn't come until his sopho-

more season when he established himself as the starting quarterback during camp. 1997 was a break-out year for both players, as well as the team, as the Toreros went on to finish 8-3 and 4-1 in the PFL, good for second place. Both players earned First Team All-PFL honors -- Stadler threw 30 touchdowns, including three PFL games with 5 TDs; and Ching hauled in 48 balls for 915 yards and 12 TDs.

Each player credits the other for making them better on the playing field. "Dylan takes a lot of pressure off of me and the team," said Mike Stadler. "I know if I get the ball in the general area, he'll pull it in. And he usually will get a large chunk of yards after the catch."

"Mike puts the ball where I can get it but nobody else," chimes in Dylan Ching. "He makes my receptions easy because most of his passes are right on."

The biggest game that stands out in both players minds was the team's come-from-behind 39-30 win over Drake in 1997. Down 21-7 at the half, Ching fought off the flu and hooked up with Stadler for four second half scores of 36, 1, 27 and 33 yards.

Both players feel that their connection on the field has also strengthened their friendship off of it. For the first time, Ching stayed in San Diego this past summer, and the two players got a chance to spend a lot of time together.

"We worked out a lot and tossed the ball around," said Ching. "But we also had a good time golfing, going to the beach, and just hanging out."

Both players are excited for the upcoming season, especially playing a seven game home schedule that includes Yale and Drake.

Added Stadler, "We're excited about our team. We have a lot of key players back and feel we can make a run at the PFL Championship."

NOTE: The above 26 completions covered 760 yards (29.2 yards per catch), with 24 of the receptions going for touchdowns that covered 654 yards (27.3 yards per catch average) ... 12 of the touchdowns came in the fourth quarter!

MIKE STADLER enters his fourth season with the USD football program, and his third year as the starting quarterback ... if the last two seasons are any indication, the 1999 season should be outstanding ... with his senior campaign ahead of him, he already owns USD career passing records for attempts (577), completions (311), touchdowns (47) and yards (4,324) ... over the past two years he has thrown for 4,318 yards and 47 TDs ... he has twice been named First Team All-Pioneer Football League and PFL All-Academic ... he is coming off a 1998 campaign which saw him lead the PFL in total offense (212.7 ypg) while completing 158-of-311 for 2,031 yards and 17 TDs ... in '98 season finale against Dayton, Stadler set season-highs for attempts (44) and completions (23), finishing with 294 yards passing and 2 TDs ... in 1997 (team went 8-3; 4-1 PFL) he tossed a school-

Steve Brown

Steve is in his fifth year as the USD Strength and Conditioning Coach. He came to San Diego from Temple University in Philadelphia, Pennsylvania, where he was the Assistant Strength and Conditioning Coach since 1991. He was named the 1998 National Strength and Conditioning Association Professional of the Year for the WCC.

A 1983 graduate of Brown University (Biology), Steve was a two-sport letterman in football (defensive back) and track (long jumper). He earned his Master's degree in Human Kinetics in 1991 from the University of Wisconsin-Milwaukee. From 1983-90 he was an assistant football coach at Wauwatosa East High School in Wauwatosa, Wisconsin, and assisted in track in 1988. He is currently working on his Ph.D in Physical Education (focus of studies in Exercise Physiology). Steve and his wife, Romi, reside in the La Mesa area of San Diego with their son, Jake.

"I look forward to training all USD student-athletes and hope to establish a sense of pride and commitment to the strength and conditioning program. The area of strength and conditioning has become increasingly more scientific in recent years. I plan to utilize the latest research in this field to fully cultivate the athletic potential of our athletes."

Steve Brown

STRENGTH & CONDITIONING

The University of San Diego athletic department recognizes the need for all athletes of all sports to engage in a comprehensive strength and conditioning program. The USD strength and conditioning program has been designed to develop functional strength, speed, power and endurance. The development of these physical attributes is ineffective if the athletes are not able to carry them over to the playing field. Adhering to a properly designed program of strength training, conditioning and nutrition can enable our men and women to become the best possible athletes they can be, while simultaneously reducing the incidence of injury.

The heart of the strength and conditioning program is the USD Sports Center weight room. It is open exclusively to student-athletes at specific times each day. The weight room contains 5,000 square feet of Olympic platforms, free-weights, selectorized machines, dumbbells and cardiovascular equipment.

USD student-athletes receive intensive instruction on proper weight training technique; speed, power and agility development; and sport-specific conditioning. Their strength and conditioning programs are specific to the nature of their sport or position. Each athlete is individually monitored throughout their program to ensure the greatest chance of athletic progress.

The 1999 football season marks the seventh year for the Pioneer Football League (PFL), a conference committed to operating a quality football program for the benefit of the student-athletes and the university community.

Formed in November of 1991, the Pioneer Football League is comprised of NCAA Division I universities that previously sponsored intercollegiate football at other levels. With the passing of NCAA legislation at the January 1991 convention, Division I institutions were required to conduct all intercollegiate sports at the same level. Therefore, the five charter members, Butler University, University of Dayton, Drake University, University of Evansville and Valparaiso University, joined together, sharing a common academic and athletic philosophy and a common commitment to operate quality football programs. In February, 1992, the University of San Diego joined the PFL for its inaugural season. The University of Evansville dropped their football program after the 1997 season.

The PFL joins the Ivy and the Patriot Leagues as NCAA Division I-AA conferences that provide only need-based financial aid for football players. The conference remains a proponent of NCAA Division I-AAA legislation that would develop a classification for Division I football programs operating with need-based aid and adopted the moniker of Pioneer based on the intent to become one of the first I-AAA leagues.

Mike Matoso

Mike Matoso is in his first season as USD's Academic Support Coordinator. The past three years he served as the Academic Counselor at USC where he was involved with the football, baseball, women's soccer, swimming and volleyball programs. Prior to USC, Mike served as the Academic Advisor for all 18 intercollegiate programs for Cal Poly San Luis Obispo for two years. He earned both his B.S. degree in Physical Education (1993) and M.A. in Education, Counseling (1994) from Cal Poly. He was also a starting pitcher for the Mustangs baseball team that finished 2nd in the Division II College World Series. Mike and his wife, Kelly, reside in Irvine.

ACADEMIC SUPPORT PROGRAM

The USD Athletic Academic Support Program is designed to assist and motivate student-athletes in their journey and progress towards their academic goals, and ultimately graduation. The primary objective is to improve the student-athletes' study skills, support them in their academic work, and encourage scholastic achievement. It is essential that student-athletes receive the necessary academic assistance to continue normal progress toward a degree while participating in athletics.

USD student-athletes receive assistance through advising, progress reports, academic tutors, campus learning centers, such as the Logic, Math, and Writing Centers, and the Accelerated Study Program. The Accelerated Study Program provides a monitored, quiet area open only to the student-athletes to ensure quality study time. These services are available to all USD student-athletes.

"Participating as a Division I athlete requires an enormous amount of time and dedication. Each day, our students face the difficult challenge of balancing their academic and athletic commitments. The purpose of our academic support program is to assist with the university's mission of developing well rounded students. Our program offers students a quiet environment where they can study, seek academic advise, learn about different campus services and receive tutoring."

SETTING

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcalá de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's architectural style.

THE CAMPUS

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style. Since 1984, USD has completed eleven major construction and expansion projects. A five-story, Spanish Renaissance parking garage (1,100 spaces) was completed in 1998. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories. In 1990, the renovated Katherine M. and George M. Pardee Jr. Legal Research Center opened, a facility that offers the latest in information technology.

ACADEMICS

USD enrolls more than 6,800 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

STUDENT LIFE

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

DID YOU KNOW ?

- With a donation of \$7 million by Sid and Jenny Craig, USD received the lead gift necessary to proceed with planning its much needed \$17.5 million Sports/Activities Center, the Jenny Craig Pavilion (JCP). The pavilion, which will be located at the eastern end of campus between Torero Stadium and Cunningham Baseball Stadium, will include a 5,000-seat gymnasium, coaches offices, fitness center and athletic training facilities, showers and locker rooms, concession stand and reception room. The Chet Pagni Athletic Hall of Fame will also be housed in the facility. Construction of the JCP should be completed in the Fall of 2000.

ATHLETICS

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team will begin its seventh season in the Pioneer Football League. Women's sports include: basketball, cross country, rowing, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, cross country, golf, football, rowing, soccer and tennis. Since 1990 USD teams have won seven conference championships; made 20 post-season appearances; had nineteen Conference Coaches of the Year; sixteen Conference Players of the Year; eleven Conference Freshmen of the Year; three WCC Scholar Athletes of the Year; and 21 NCAA All-Americans. This past year, Zuzana Lesenarova, a junior on the women's tennis team, became the school's first ever national champion by winning the 1999 NCAA Women's Tennis Singles Championship.

San Diego is truly "America's Finest City." A modern metropolis (second largest in California) and a popular year-round resort, San Diego spreads from the coast to the desert, including cliffs, mesas, hills, canyons and valleys. San Diego also surrounds one of California's greatest natural harbors which has been a dominant factor in determining the city's history, economy and development.

Meteorologists claim San Diego as the country's only area with perfect climate. This ideal year-round environment posts an average daytime temperature of 70 degrees, with an annual rainfall average of less than 10 inches. Most days are sunny, with humidity generally low, even in the summer. The climate, attractive setting and recreational facilities make San Diego "America's Finest City."

According to Sports Illustrated, "For sheer numbers of participants, diversity of pursuits of involvement, San Diego must rank as the sports fitness capital of the U.S." Sports are a major feature of the San Diego lifestyle. One can sail, swim, surf, scuba dive, snorkel, wind-surf on 70 miles of public beach or golf at any of the over 80 golf courses throughout the county. Balboa Park, a 1,158-acre recreation and cultural center, offers 25 tennis courts, two gymnasiums, two municipal golf courses, and one of the nation's finest zoos. Mission Bay Park is a 4,600-acre playground for jogging, fishing, bicycling, tennis, golf, jet skiing and kite flying.

As well as participating in recreational activities, San Diego supports their professional teams -- the NFL Chargers and the National League Padres play at Qualcomm Stadium. During college football bowl week, San Diego annually hosts the Culligan Holiday Bowl in late December. During 1998, Qualcomm Stadium hosted the Super Bowl game between Denver and Green Bay; followed by the World Series between the San Diego Padres and the New York Yankees. Whatever sporting activity there is, it's here in San Diego -- the sports capital of the U.S.A.

A Message From President Hayes

As the president of the University of San Diego, this is my fifth Torero season. I am proud of the USD Football Team and pleased that the university supports the program in every way possible, including emphasis on academic excellence, and promotion of intercollegiate athletics.

Our student-athletes are winners on and off the field. They demonstrate the values that characterize a USD education - commitment, integrity, teamwork, discipline, and respect for the dignity of all human beings. These are qualities that will help them throughout their lives.

I am looking forward to the coming season and hope that you will join me in supporting our team. It's an exciting schedule and promises to be a great year.

TOM IANNAZONE

Director Of Athletics

Tom Iannacone begins his twelfth year as Director of Athletics at the University of San Diego. He was named Director of Athletics on September 1, 1988 after holding the same position the previous four years at St. Francis College of Pennsylvania.

At USD, Iannacone directs an Athletic Department that includes sixteen NCAA Division I intercollegiate varsity teams, eight men's and eight women's, plus intramurals and recreation.

In the last eleven years behind his direction and leadership, Torero Athletics has enjoyed successes both on and off the playing field. His accomplishments at USD include an internal reorganization of the athletic department, plus improvements in the major areas of personnel, scholarship assistance, facilities, promotions and marketing, fund raising, drug education, academic support, and a university approved plan for scholarship support and sports sponsorship. In addition, he was instrumental in USD gaining membership to the Pioneer Football League, which began play in 1993. He has served on the I-AA Athletic Directors Association Executive Committee; and is past Chairman of the West Coast Conference Athletics Directors Committee.

During Iannacone's tenure, facilities at the USD Sports Center, along with all athletic fields, have seen vast improvements. Improvements at the Sports Center include complete renovations of both the north and south wings that added offices for administrators and coaches; additional locker rooms for women's basketball, volleyball and women's soccer; an athletic department conference room; and an academic support room. Torero Stadium, where football, men's and women's soccer compete, was widened to accommodate soccer, and added a state-of-the-art lighting system and scoreboard. The Softball Complex has benefitted with a new dugouts, scoreboard, batting cages and additional seating. Additionally, The Canyon Field received lighting and a complete renovation for intercollegiate practices and intramural use. This past spring ground broke on the Jenny Craig Pavilion, a new 5,000 seat multi-purpose facility that will be home for USD basketball and volleyball, and benefit the entire university community.

On the playing fields, USD has sent twenty-four teams to NCAA Tournaments since Iannacone's arrival in the Fall of 1988. Additionally, the school has captured eight conference championships; twenty-three NCAA All-Americans; seventeen CoSIDA/GTE Academic All-Americans; nineteen conference Coaches of the Year; fifteen conference Players of the Year; and three West Coast Conference Scholar-Athletes of the Year. Besides having the 1999 NCAA National Champion in women's tennis (Zuzana Lesenarova), the Torero athletic program came out on top of the WCC schools in terms of overall strength in 1999 (based on an unofficial scoring system produced by USD each season. For the first time, the 1998-99 combined men's and women's athletics programs at USD ranked first in the standings. Since 1988 the university has been the host site for NCAA Tournament events for women's volleyball, men's soccer and women's tennis.

Prior to USD, Iannacone built an impressive list of credentials at St. Francis College as Director of Athletics between 1984-87. His major contributions included the expansion of sports offerings and scholarships for both men and women, improved budgets, renovation of athletic facilities, the hiring of additional staff, and the establishment of a master plan for the future and continual development of athletics. He served on several committees, most notably the Eastern Collegiate Athletic Conference (ECAC) Infractions committee and the Northeast Conference committee on conference development.

He served as assistant Director of Athletics at Fordham University between 1977-84. Along with his administrative duties, he was assistant football coach for the Rams. Between 1975-78, he acted as offensive coordinator and backfield coach as Fordham captured 19 victories in their final 24 games during this span. The '77 squad was and remains the highest scoring team in Fordham history, averaging 34 points per game. In 1983 he was presented the prestigious Jack Coffey Award by the Alumni Association for his outstanding contributions to Fordham athletics. He also served on various Metro Atlantic Athletic Conference committees.

Prior to Fordham, Iannacone taught physical education and coached track and field, and football in Connecticut Public School Districts from 1964-76. He made his collegiate football coaching debut as an offensive backfield coach at Western Connecticut State University in 1974. A 1964 graduate of the University of Connecticut, Iannacone received his master of science degree in physical education from Southern Connecticut State University in 1973.

Tom and his wife, Cynthia, have three children: Tom Jr., Jennifer and Eric. All three are graduates of the University of San Diego.

Dan Yourg
Associate Director of Athletics

Associate Director of Athletics Dan Yourg has been a member of the USD Athletics Department since the fall of 1985.

Yourg oversees football, baseball, men's basketball, golf, men's soccer, and men's and women's tennis. Yourg serves as the NCAA compliance coordinator for the entire USD athletic program. In addition, he is the department liaison to USD's Financial Aid Office.

Yourg received his Bachelor's (Sociology, 1980) and Master's (Social Work, 1986) degrees from the University of Wisconsin, where he was a nose guard on the Badgers' football team.

Dan and his wife Virginia, a USD alumnus, are the parents of three sons, John, Tom and Mike.

Wendy Guthrie
*Assistant Director of Athletics/
Senior Woman Administrator*

Wendy enters her fourth year on the USD staff as the Assistant Director of Athletics and third as Senior Woman Administrator.

Guthrie is a 1991 graduate of Whittier College (B.A. in Business Administration) where she competed on the cross country team all four years. Besides being a two-time

team captain, she was honored each season as team MVP and was a four-time All-SCIAC selection.

She earned her Master's in Physical Education with a concentration in Athletic Administration at Springfield College in Massachusetts. After Springfield, she held the position of Assistant Director of Athletics/SWA at St. Francis College in Pennsylvania for one year. Wendy gained experience working with the Colorado Sports Council and the US Olympic Committee at the 1994 US Olympic Festival in St. Louis, Missouri, and was the Director of Awards Ceremonies at the 1995 Olympic Festival in Denver. She also served in corporate hospitality at the 1996 Olympic Games in Atlanta.

Carolyn Greer
Head Athletic Trainer

Carolyn Greer enters her twenty-second year as the Head Certified Athletic Trainer for the University of San Diego athletic department. She is assisted by Suzi Higgins.

A 1975 graduate of San Diego State University with a Bachelor of Arts degree in Physical Education, Carolyn went on to earn

her Master's in Sports Medicine in 1978.

Over the years she has taught classes in Sports Medicine and had numerous articles published in a variety of journals. She oversees sixteen intercollegiate teams and approximately 370 USD student-athletes on a yearly basis. The Sports Medicine staff provides injury prevention, immediate care, and rehabilitation for USD's intercollegiate athletes.

Carolyn, and her husband Jeff, reside in the Pacific Beach area of San Diego with their two boys, David and Jason.

Brian Fogarty
*Associate Director of Athletics
for Athletic Development*

Brian Fogarty enters his fourth year as USD's Associate Director of Athletics for Athletic Development. He took over this post after spending thirteen years as USD's head football coach. He directed USD's football program to eleven seasons of .500 or better records and guided their move from the Division III ranks to the NCAA I-AA level in 1993.

His primary responsibilities are with fund raising, overseeing the Torero Athletic Association (TAA), and marketing and promotions for the athletic department. He is in the second year of the capital campaign for the Jenny Craig Pavilion, due to open in the fall of 2000. Brian and his wife Vicki, who reside in the Scripps Ranch area of San Diego, have four children: Bridget (a recent graduate of USD), Joe, Colleen and Megan.

Renee Wiebe
*Assistant Director of Athletics for
Marketing and Promotions*

Renee Wiebe is in her third year as Assistant Director of Athletics for Marketing and Promotions. She handles Corporate Sponsorships; coordinates game-day promotions and special events; oversees community outreach programs like the Inter-City Games; and is involved with annual fund raising events for the Sports Banquet, and Salute To Women's Athletics.

Her previous experience in athletics was at the University of Northern Iowa where she was Marketing and Promotions Director from 1993-95. Prior to that she was Promotions Assistant at the University of Florida in Gainesville, Florida.

She earned her Bachelor of Journalism-Broadcast Sequence from the University of Missouri-Columbia in May, 1991. She went on to earn her Masters of Education with an emphasis in Sports Administration from Wichita State University in August, 1993.

Ted Gosen
Sports Information Director

Ted Gosen is in his 18th year serving as USD's Director of Sports Information. He handles publicity and publications for all USD Athletics teams, in addition to hosting media at USD events. He is assisted by Ryan McCrary.

In 1981 Ted received his Master's of Science degree in Sports Administration from St. Thomas University in Miami, Florida. A 1979 graduate of San Jose State University, he earned his Bachelor of Science degree in Business Administration. In addition to his SID duties, Ted is a member of the College Sports Information Directors of America (CoSIDA); assists the USD Hall of Fame Committee; is athletics editor for 'Voices,' a university publication that is published six times a year; and teaches a bowling class through the USD recreation department.

Ted and his wife Terri, a 1983 USD graduate, reside in Poway with their four daughters: Katie, Colleen, Claire and Erin.

CoSIDA/GTE Academic All-Americans

The CoSIDA/GTE Academic All-America Football Team, selected annually by members of the College Sports Information Directors of America, honors the nation's best student-athletes. Just as the balancing of football and academics is difficult, the standards for nomination and selection to the team are rigorous. To be nominated, a varsity starter or key reserve player must have a minimum 3.200 cumulative grade-point average (on a 4.000 scale).

The program began in the 1950s with honorees in football; later, basketball and baseball all-academic teams were added. Academic and athletics biographical data of nominees are prepared in ballot form and mailed to the CoSIDA membership, who vote in each of eight districts. From the eight district teams comes a national ballot, distributed to the 1,400 members for the final all-academic team.

"The achievements of these young men should truly be commended," said NBC sportscaster Dick Enberg, spokesperson for the GTE academic all-America team. "I often wonder where college students find the time and energy to play a demanding sport like football, excel in the classroom and be active on campus and in their communities. To me, these are truly all-Americans."

Below is a look at USD's football GTE Academic All-Americans:

Dan Herbert

Herbert was a four-year letterwinner (1978-81) and in his senior campaign set a school record for interceptions in a season with 8 (still the current mark) ... the 1981 squad finished 9-1 ... besides earning GTE Academic All-America honors, Dan earned Kodak College Division II All-America honors, was selected to the National Football Foundation and College Hall of Fame (San Diego Chapter) and participated in the 1981 Blue-Gray All-Star game. Dan is an attorney in San Diego.

Jeff Mansukhani

Jeff played four years between 1984-1987 as a wide receiver and kick returner ... he was selected 2nd Team GTE/Academic All-American after his junior season when he hauled in a team-best 49 receptions for 811 yards (16.6 average) and 7 touchdowns ... he also averaged 15.6 yards on 9 punt returns and 23.3 yards on 18 kickoff returns ... his senior year (1987) he caught 17 receptions for 338 yards (19.9 average) and 3 touchdowns ... he was a two-time USD Offensive Player of the Year. Jeff is an attorney at law.

Bryan Day

Bryan played four years between 1985-88 as a defensive back ... he was the school's first two-time First Team GTE Academic All-American (1987 & 1988) ... he lead the Toreros' in tackles both his junior and senior campaigns and was a two-time USD Defensive Player of the Year ... in 1988 he tallied 88 tackles to go with 3 quarterback sacks (-17 yards), 2 forced fumbles, 4 fumble recoveries, 8 pass deflections and 2 interceptions ... in 1987 he totaled 91 tackles and 6 interceptions ... he carried a 3.78 grade point average in Business/Economics. He currently resides in Las Vegas, Nevada where he is an attorney.

John Gomez

John played four years at USD (1985-88) and earned 2nd Team GTE/Academic All-America honors his senior year (1988) as a defensive lineman ... he started his career at USD as a linebacker before moving to the line for his final two seasons ... he started 7 games in 1987 when the team recorded four shutouts on their way to a 6-3-1 season ... in 1988 he totaled 34 tackles in 9 starts with 1 quarterback sack and 8 quarterback hurries. John resides in Orange County where he is an attorney.

Doug Popovich

Doug became the school's second student-athlete to be selected twice as a First Team GTE/Academic All-American (1994, 1995) ... a two-time USD Defensive Player of the Year, Doug lead the team in tackles both his junior (142) and senior (125) campaigns ... three times he was selected the team's James B. Orwig Scholar Athlete of the Year ... he was named a \$25,000 Burger King Scholar-Athlete of the Week (Oct. 7, 1996) and earned a \$5,000 NCAA Post-Graduate Scholarship ... an Ocean Studies major at USD with a 3.88 grade-point-average, Doug was accepted into Yale University's Graduate School.

Jeb Dougherty

In 1996 Jeb was selected First Team GTE/Academic All-America after leading the Toreros in tackles (113) and averaging 28.0 yards per kickoff return ... in addition, he was named Associated Press I-AA Third Team All-America; First Team All-PFL; PFL All-Academic; a \$10,000 Burger King Scholar-Athlete of the Week; and the team's Defensive Player of the Year ... during his junior campaign he earned 2nd Team GTE/Academic All-America honors as a defensive back ... a two-sport star, he was a Third Team GTE Academic All-America selection in baseball his senior year in 1997 ... he was drafted in the 1997 June major league draft by the Anaheim Angels.
